

“Art Instruction at its Finest”

Pencil & Pastel Supplies

Sketch book – approximately 8 1/2 x 11 or 11 x 14

Pencils for sketching – numbers 2B, 4B, 6B, HB and a regular #2

Blending tools – paper pencil-shaped sticks used to blend graphite

Eraser – 1 pink and 1 kneaded (gray stretchy eraser that resembles chewing gum)

“Art Instruction at its Finest”

Charcoal – vine or willow

Pastels can be purchased at a later date closer to when the children need them. I recommend a using a chalk pastel (not an oil pastel) because they are easy to blend. For the beginner a student grade is fine. 48 color sets are readily available and cost @ \$20.
